# WELCOME TO EAP 2026

Dear Colleagues,

It gives us great pleasure to invite you to the European Academy of Paediatrics (EAP) MasterCourse, held in collaboration with the Georgian Academy of Paediatrics in the historic city of Tbilisi.

Over many years, the European Academy of Paediatrics Mastercourse has gained a distinguished reputation as the event to attend to get an excellent update for our daily paediatric clinical practice. Our overarching motto this year **"Let's Talk about Paediatric Care"** guides our exciting programme focussing on current knowledge and recommendations in patient care, based on the latest scientific evidence. We put an emphasis on interactive cross-talk and will provide many opportunities for conversation and exchange.

The scientific committee has appointed renown and highly qualified faculty members presenting the latest information in their area of expertise. Crucial clinical topics are reviewed in-depth, making it valuable for all doctors dealing with child health. We encourage you to also share your experience and to submit abstracts. Accepted abstracts will be presented either as oral presentations or as posters, and they will be published in the journal *Acta Paediatrica*, ensuring they are citable.

Given the limited capacity for this event, we recommend to register early to avoid disappointment. We look forward to welcoming you to Tbilisi and encourage you to explore this amazing city nestled between ancient hills. Tbilisi whispers stories through its cobbled streets and vibrant facades. The sulfur baths of Abanotubani steam with centuries of healing tradition and mystique. From Narikala Fortress, the city unfolds like a tapestry of cultures, colors, and dreams. Rustaveli Avenue pulses with art, music, and the soul of Georgian hospitality.

Georgia is recognized as the birthplace of winemaking, with archaeological evidence dating back over 8,000 years, while today the country continues to produce fantastic quality of wines, Tbilisi is not just a destination—it's a warm embrace wrapped in history and heart.

**We look forward to seeing you in Tbilisi, Georgia in 2026!**

**Prof. Berthold Koletzki, MD PhD**  
**President, European Academy of**  
**Paediatrics (EAP)**

**Prof. Maia Chkhaidze**
