

Prof. Ketil Størdal

Ketil Størdal (b. 1966) is a full professor in pediatrics at the University of Oslo, Norway. He is also working as a consultant pediatrician at Oslo University Hospital, after specialist training in general pediatrics and pediatric gastroenterology.

His main research area is the epidemiology of autoimmune diseases in children. For several years he has been teaching at the University of Oslo, London School of Tropical Medicine, and University of Botswana.

Dr Størdal is a member of ESPGHAN since 2004 and of the specialist interest group in celiac disease since 2017, currently in the position of treasurer in the executive committee.
