

Prof Holger Till

Professor Holger Till (HT) is currently the Director of the Department of Paediatric and Adolescent Surgery at the Medical University of Graz, Austria, which is one of the largest centers of its kind in Central Europe. He is also the acting President of the Austrian Society of Pediatric Surgery and Past President of International Pediatric Endosurgeons Group (IPEG).

Dr. Till was introduced to paediatric surgery at the Harvard Medical School (USA) by Professor Patricia Donahoe in 1989. In Germany he completed his residencies in General Surgery and Pediatric Surgery. From 2004-2005 he joint Professor CK Yeung as an Assistant Professor at the Chinese University of Hong Kong. Thereafter he became head of the Department of Pediatric Surgery in Leipzig until he was appointed Chair Professor of Paediatric Surgery in Graz. HT has a special interest in pediatric MIS, neonatal surgery and surgical oncology. His department has just been accredited by the Austrian ministry of health as the only expert center for Intestinal congenital anomalies (ICA) in Austria and he is a member of the European Reference Network (ERNICA). HT has published more than 200 scientific articles in peer reviewed journals or text books and gave over 300 presentations worldwide.
